

**SMEA meeting at Elementary
October 25th, 2023**

Meeting called to order at 3:45pm

Motion to approve the September 2023 minutes by Jolene Elfstrum, second by Jennifer Sapp.

{Building Reports}

High & Middle School: Procedure for where to place students if there is a fight, what is our protocol.

Elementary School: Gym done and looks great! We still have issues with rooms being really hot or cold and wish we can get that fixed long term. Also we have had issues with doors not working and being a risk for security. They said they are working on it but it's hard when the north door to the playground isn't working for staff to use their fab to get back into school.
